

# CGAT

CGAT is a commercial grade flexible, adhesive lined heat-shrink tubing designed to provide environmental protection and strain relief for wire harnesses, electrical components and cable jackets. CGAT is flexible, tough and with its 3:1 shrink-ratio covers a wide range of diameters. CGAT is UL approved.

## Technical Characteristics

Continuous operating temperature	-30°C to +80°C
Minimum full recovery temperature	+115°C
Shrink ratio	3:1

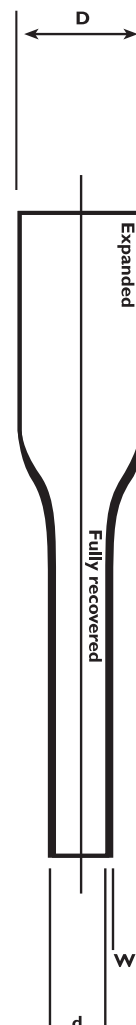

## Part Numbering Information (Black Only)

Part No	D (mm)	d (mm)	W (mm)	Adhesive Thickness (mm)
CGAT - 3/1 - 0	3.0	1.0	1.00	0.5
CGAT - 6/2 - 0	6.0	2.0	1.00	0.5
CGAT - 9/3 - 0	9.0	3.0	1.35	0.6
CGAT - 12/4 - 0	12.0	4.0	1.50	0.7
CGAT - 18/6 - 0	18.0	6.0	1.70	0.8
CGAT - 24/8 - 0	24.0	8.0	1.95	1.0
CGAT - 39/13 - 0	39.0	13.0	2.10	1.0

## Availability

Standard colours: Black (0) and Clear (X)

Specifications: UL E 85381
